

Finding Your Heart's Desire

A workshop based on the Book "Your Heart's Desire" by Sonia Choquette

Do you feel like life is spiraling out of control by the velocity and speed of modern life? Are you ready to consciously create your hearts' desires?? Many of us long for a life that is more handmade, customized to suit our needs and certainly... more personal.

This workshop is an introductory course exploring
"9 Principles for Creating the Life of your Dreams"
Bringing your dream into focus ~ Engaging your Subconscious ~
Imagining your Heart's Desire ~ Eliminating your Obstacles ~
Intuitive Guidance ~ Supporting your dream with love ~
Surrender Control ~ Claim your dream ~
Staying true to your dream

You will have the opportunity to actively pursue the path to finding and living your dream life. If you are intrigued and motivated to learn and explore more, we will be offering (4) more, intensive, "Individual Principles" workshops
